School Street
Storer Street
Tenney Street
Village Brook Road
Watson Circle
West Elm Street

Willow Street
Winding Way
Woods Circle Road
Yarmouth Green
Yankee Drive
York Street

Things to Remember

- 1) We will only pick up brush – please do not mix other materials into piles - like lumber, leaves, trash, etc.
- 2) The brush is picked up by a log truck and needs room for its boom to operate. When picking a location for your brush pile, please be aware of low hanging wires, tree limbs or other obstacles that may interfere with loading.
- 3) When the grapple picks up the brush pile, it will most likely dig into the ground below. Please do not place tarps under the piles. It will also leave some debris behind as we do not rake or load items by hand.

If the pile is unacceptable, it will be tagged and not collected.

If you have any questions, contact Highway Superintendent (Jeff Lavoie)

846-2416 or jlavoie@yarmouth.me.us
