THINGS TO REMEMBER

1. The sidewalk side of the street, from the back of the sidewalk to the gutter, will be the only side swept. If you are not on the sidewalk side, you will be responsible for raking any material into the gutter on your side of the street prior to the sweeper arriving.

2. Please rake out the sand from your lawn prior to the scheduled sweeping of your Zone

**Once The Area Has Been Swept, The Sweeper Will Not Return
THE SWEEPER IS NOT DESIGNED TO PICK UP LEAVES OR WOOD DEBRIS
DO NOT RAKE THIS TYPE OF MATERIAL INTO THE STREET**

The streets are listed alphabetically within each Zone but this is not necessarily the order in which they will be swept.

**If You Have Questions About Sweeping or Schedules Please Contact:
Jeff Lavoie (Highway Superintendent) at 846-2416 or jlavoie@yarmouth.me.us**
